**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of broadband competition. I choose to use local providers with competitive pricing for my market and accessible customer service. Please do not make changes in your programs and regulations that would limit that competition and please do not give preference to large, well-connected corporations.
